Dear Judge Wolfson,

Pursuant to the December 21, 2010 conference call between the Court and counsel for all parties, in which the Court indicated that it required additional time to consider the present motions, the Treasurer has extended the date for issuers to implement a system or process capable of recording and maintaining the purchaser's zip code until no earlier than January 18, 2011. Please note that, consistent with the Treasurer's Guidance of November 24, 2010, any issuers that, in the normal course of business, currently obtain the name and address of the purchaser or owner of any stored value card issued or sold in New Jersey are required to continue to do so.

Please do not hesitate to contact me at 609-599-6868 if I may be of any assistance.

Respectfully submitted,

PAULA T. DOW
