CONSENT DECREE

This Consent Decree is entered into between the United States, on behalf of the Secretary of the United States Department of Commerce and the National Oceanic and Atmospheric Administration ("NOAA"), and Defendants David W. Dreifort and Denise Dreifort.

INTRODUCTION

A. Plaintiff United States filed a complaint on December 5, 2008, against Defendant David W. Dreifort, and an amended complaint on March 20, 2009, against Defendants David W. Dreifort and Denise Dreifort, under the National Marine Sanctuaries Act ("NMSA"), 16 U.S.C. §§ 1431 *et seq.*, seeking damages and response costs relating to the destruction of natural resources by Defendants in the Florida Keys National Marine Sanctuary ("FKNMS") between January 1, 1990 and the present. In pursuing this claim, NOAA is acting in its capacity as a trustee for resources within the Sanctuary, pursuant to 40 C.F.R. § 300.600(b)(1) and Department of Commerce Organization Order 25-6.

B. The complaint seeks damages against Defendants for all response costs and damages incurred, or to be incurred, by the United States as a result of the placement of artificial lobster habitats, or casitas, by Defendants in the FKNMS between January 1, 1990, and the present.

C. By entry into this Consent Decree, Defendants do not admit any liability to the Plaintiff arising out of the transactions or occurrences alleged in the complaint.

D. The United States has reviewed the financial information submitted by Defendants and has determined that Defendants are unable to pay the total amount of Damages and Response Costs sought by the United States under the Complaint except to the extent of the proceeds from the sale of two of the three real property parcels owned by the Defendants. This settlement is based on the Defendants' limited ability to pay.

E. The Parties agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter and entry of this Decree without further litigation is the most appropriate means for resolving the matters covered herein, and that the Consent Decree is fair, reasonable and in the public interest.

NOW, THEREFORE, with the consent of the Parties to this Decree, it is hereby ORDERED, ADJUDGED AND DECREED:

JURISDICTION

1. This Court has jurisdiction over this action pursuant to 28 U.S.C. §§ 1331 and 1345, and 16 U.S.C. §§ 1437(j) and 1443(c)(2). Venue is proper within the Southern District of Florida pursuant to 28 U.S.C. §1391(b) because it is the judicial district in which the events upon which the claims are based occurred.

BINDING EFFECT

by the Properties, including, but not limited to, a deed or other assignment in lieu of foreclosure.

A Transfer does not include a transfer pursuant to an inheritance or a bequest.

PAYMENT

4. Payment of Proceeds from Sale of the Property. The Defendants shall use Best Efforts to Transfer the Properties. For purposes of this Consent Decree, "Best Efforts" shall include, but shall not be limited to: (1) listing the Properties with a broker, dealer or agent who usually deals with the type of property in question; (2) advertising the Properties as being for sale on at least a monthly basis in national computer networks, commercial referral services, direct marketing and mailing programs, real estate publications, trade or other publications suitable for the Properties, or a newspaper of general circulation (defined as one with a circulation of over 10,000) covering Monroe County, Florida; (3) responding to the reasonable inquiries of prospective buyers; (4) maintaining the Properties in a condition suitable for exhibition to prospective buyers; and (5) allowing the Properties to be shown at all reasonable times.

5. Within 60 days after the Effective Date, the Defendants shall submit to NOAA, in accordance with Paragraph 21 (Notices and Submissions), information documenting their Best Efforts to Transfer the Properties. The Defendants shall thereafter submit an update documenting their continuing Best Efforts to Transfer the Property every 90 days, with the first update due 150 days from the Effective Date.

6. The Defendants shall consult with NOAA regarding all principal terms and conditions of the Defendants' listing of the Properties with a broker, dealer or agent and the Defendants' advertising the Properties as being for sale. Such consultation shall occur not later than ten days before listing or advertising the Properties. The Properties must be listed at an

asking price that takes into account the current appraised values, those being \$400,000 for the Little Torch Key Property and \$900,000 for the Cudjoe Key Property, as established by appraisals done by Andy Ceberio Appraisal Services on February 9, 2009, and the listing price must be approved by NOAA. The Transfer of the Properties shall be subject to, and conditioned upon, NOAA's prior written approval. All consultations with NOAA required pursuant to this Paragraph shall be through the NOAA contact identified in Paragraph 21 of this Consent Decree (Notices and Submissions).

7. The Defendants shall notify NOAA in writing, in accordance with Paragraph 21 (Notices and Submissions), within 3 business days of receipt of any offer to purchase the Properties. The Defendants shall at that time provide NOAA with a copy of the offer. The Defendants shall address offers to purchase the Properties as follows: 1) if the offer is below the Fair Market Value, the Defendants may not accept the offer and sell the Property without NOAA's prior written consent; 2) if the offer is equal to or greater than the Fair Market Value, and does not contain unreasonable contingencies or terms, the Defendants may accept the offer and sell the Properties without further consent from NOAA; 3) if however the offer was made by a party who has an affiliation with or relation to any Party to this Consent Decree, the Defendants may not accept the offer and sell the Property without NOAA's prior written consent, regardless of the offer amount.

8. At least 30 days prior to any Transfer of the Properties, the Defendants shall notify NOAA of the proposed Transfer, which notice shall include a description of the Property to be sold, the identity of the purchaser, the terms of the Transfer, the consideration to be paid, and a copy of the Transfer agreement.

9. The Defendants shall notify NOAA of the completion of any Transfer within 10 days of the date of closing and shall include with such notification a copy of the relevant closing documents, including final executed documentation for the conveyance. The Defendants shall also provide NOAA with documentation sufficient to show the total value of all consideration for each Transfer at the time of each Transfer, the amount of the proceeds of the Transfer, and (i) the amount of closing costs reasonably incurred and actually paid by Defendants associated with the Transfer of the Properties, (ii) federal and state taxes owed on the proceeds, and (iii) any amounts necessary to satisfy any bona fide liens on the Properties that are superior in priority to the interests of the United States created by this Consent Decree. A material representation made by the Defendants as a condition precedent to this Consent Decree is that the only existing lien or encumbrance of any kind on the Properties as of the date of entry of this Consent Decree is a mortgage on the Cudjoe Key Property in a maximum amount of \$440,000.

10. The Defendants shall pay to NOAA all of the Net Sales Proceeds of the Transfer of the Properties, plus any amount paid to satisfy the mortgage on the Cudjoe Key Property in excess of \$220,000, up to the sum of \$1,100,000. The payments required under this Paragraph shall be made by FedWire Electronic Funds Transfer ("EFT") to the U.S. Department of Justice account in accordance with current EFT procedures. The payments shall be made in accordance with instructions provided to the Defendants by the Financial Litigation Unit of the U.S. Attorney's Office in the Southern District of Florida following entry of the Consent Decree. Any payments received by the Department of Justice after 4:00 p.m. Eastern Time shall be credited on the next business day. At the time of payment, the Defendants shall send a copy of the EFT authorization form and the EFT transaction record, together with a transmittal letter, which shall

state that the payment is for damages and response costs owed pursuant to the Consent Decree in United States v. David Dreifort and Denise Dreifort, and shall reference the civil action number of this case and DOJ case number 90-5-1-1-09568, to the United States in accordance with Paragraph 21 of this Decree (Notices and Submissions). Payment shall be made within 15 days of the effective date of the Transfer of any Property. The amounts paid pursuant to this Paragraph shall be deposited in the NOAA DARRF--Dreifort Account.

11. Unless requested by NOAA at other times, if a contract of Transfer of both of the Properties has not been executed within nine (9) months of the date of listing, the Defendants shall adjust the asking price for the unsold Property or Properties as approved by NOAA, and continue such adjustment of the asking price every nine (9) months thereafter with the prior approval of NOAA until such time as a Transfer occurs.

12. If no Transfer has occurred with respect to a Property within nine (9) months of the most recent appraisal, NOAA may demand a subsequent appraisal.

13. NOAA may, in its sole discretion, direct the Defendants to submit any unsold Property for sale by Public Auction if such Property has not been Transferred within one year of the date of Entry of this Consent Decree.

14. The Defendants shall not sell, assign or transfer the Properties except by means of a Transfer.

15. In the event of any Transfer of the Properties or any portion thereof pursuant to this Section, the Defendants shall continue to be bound by all the terms and conditions, and subject to all the benefits, of this Consent Decree.

16. In the event that any payments required by Paragraph 10 are not received when due, interest shall accrue on the unpaid balance through the date of payment at the post-judgment interest rate prescribed pursuant to 28 U.S.C. § 1961.

COMPLIANCE PROGRAM

17. For a period of five years from the Date of Entry of this Decree, Defendants shall not operate a vessel within or engage in or participate in any commercial or recreational fishery within the boundaries of the Sanctuary, as defined by 15 C.F.R. § 922.161 and Appendix I to 15 C.F.R. Part 922 Subpart P. This includes but is not limited to the harvest or sale of any fish, lobster or shellfish pursuant to any state or federal permits or licenses, or Florida salt water products license and includes working under another person's state or federal permits or licenses as a crew member within the boundaries of the Sanctuary. Nothing in this paragraph prevents Defendants from holding or applying for state or federal permits or licenses pertaining to commercial or recreational fisheries, or fishing outside the Sanctuary.

EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

18. In consideration of the compensation provided by Defendants in accordance with this Consent Decree and the actions required under this Consent Decree, and except as specifically provided in the following Paragraph, the United States covenants not to sue or to take any other civil or administrative action against Defendants under the NMSA to recover Response Costs or Damages related to the placement of casitas by the Defendants in the FKNMS as alleged in the Amended Complaint. These covenants not to sue are not effective until, and are conditioned upon, complete and satisfactory performance by each Defendant of his or her obligations under this Consent Decree, including but not limited to Paragraph 10. This covenant

not to sue is also conditioned upon the veracity and completeness of the Financial Information provided to the United States by Defendants. If the Financial Information is subsequently determined by the United States to be false or, in any material respect, inaccurate, Defendants shall forfeit all payments made pursuant to this Agreement and the covenant not to sue shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United States' right to pursue any other causes of action arising from the Defendants' unlawful activities or submission of materially inaccurate information. This covenant not to sue extends only to the Defendants and does not extend to any other person.

19. Plaintiff reserves, and this Consent Decree is without prejudice to, all rights of the United States against Defendants with respect to all matters other than those expressly specified in the preceding Paragraph.

20. Defendants hereby covenant not to sue and agree not to assert any claims or causes of action, including but not limited to claims under the Constitution of the United States of America, against the Plaintiff, its employees, agents, experts, or contractors, with respect to actions taken by Plaintiff relating to the placement of casitas by the Defendants in the FKNMS and with respect to the allegations contained in the Complaint.
