Mitchell Secretary of KDHE in their capacity as trustee for state Natural Resources in Kansas (collectively, the “Plaintiffs”), and Blue Tee Corp. (“Blue Tee”).

INTRODUCTION

A. The United States, on behalf of DOI in its capacity as natural resource trustee for federal Natural Resources, and the State of Kansas, KDHE and the Secretary of KDHE in their capacity as trustee for state Natural Resources in Kansas, concurrently with the filing of this Consent Decree, have joined in filing a Complaint in this action under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. § 9606, et. seq. and K.S.A. 65-3430, 65-171, and K.S.A. 65-161, seeking the recovery of damages, including damage assessment costs, for injury to, destruction of, and loss of Natural Resources resulting from releases of hazardous substances into the environment.

B. The Complaint alleges that Settling Defendant is the successor in interest to or otherwise legally responsible for the acts and omissions of various entities that owned and operated three ore smelters and related operations located in Caney, Dearing and Neodesha, Kansas (hereinafter collectively the “Blue Tee Smelters”).

C. Investigations have concluded that hazardous substances including heavy metals, have been released at and from the Blue Tee Smelters in such amounts as to cause injury to natural resources under the Trusteeship of the Plaintiffs.

D. The Settling Defendant does not admit any liability arising out of the occurrence alleged in the Complaint, including the alleged release of hazardous substances and Natural Resource Damages.

E. The Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that implementation of this Consent Decree will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

XII. CONSENT DECREE MODIFICATIONS

Settling Defendant consents to the entry of this Consent Decree by the Court without further notice. Settling Defendant further agrees not to oppose entry of this Consent Decree by the Court or to challenge any provision of the Consent Decree, unless either the United States or the State of Kansas has notified the Defendant in writing that they no longer support entry of the Consent Decree.
