

Where Women Strive and Thrive

Pillsbury is proud to be a proving ground for accomplished women lawyers. We were one of the first major law firms to promote a woman to partnership, and we were the first large, national law firm to elect a woman as its top leader. These progressive decisions have yielded generations of women leaders and stakeholders including the women who are proving themselves today.

Record of Accomplishment

13-time *Working Mother* **100 Best Company** and the first law firm to crack the Top 10.

Diversity Best Practices **2019 Inclusion Index** for efforts in recruiting, retention, advancement, culture.

Human Rights Campaign Equality Index **100% score** every year since 2006.

Chambers Women in Law honors for furthering women's careers and for advancing gender diversity inclusion.

Among *NAFE's* **70 Top Companies for Executive Women** and one of three law firms on the 2019 list.

11-time *Working Mother* **Best Law Firm** and an inductee in the 2019 inaugural **Hall of Fame** class.
