

Finance

Pillsbury regularly advises the world's leading energy and infrastructure companies and financial institutions on the development, acquisition and financing of the projects that shape our future. The firm has helped clients lay the groundwork for projects across the United States and in more than 75 countries around the globe, earning praise as one of the field's premier legal advisors along the way. In addition to wide-ranging legal knowledge and experience, Pillsbury lawyers also possess the imagination necessary to innovate — often devising novel solutions that ensure clients achieve business objectives without compromise.
