For the purpose of this Agreement, a "Title Defect" shall mean any deficiency, impairment, encumbrance, lien, encroachment, irregularity, or defect of title, which individually per Lease as set forth on Exhibit "A" exceeds Thirty Seven Thousand Five Hundred Dollars (\$37,500), and individually per Well as set forth on Exhibit "B" exceeds Eight Thousand Dollars (\$8,000.00). Title Defects shall include (other than Permitted Encumbrances):
- 7.1.1 Adverse Claims and Effects - Seller's title as to all or part of an Asset is subject to (i) an outstanding mortgage; (ii) a deed of trust; (iii) a lien or similar encumbrance; or (iv) a pending Claim in which a competing ownership interest in an Asset is claimed or implied

- 7.1.2 Decreased Net Revenue Interest - Seller owns less than the Net Revenue Interest shown on Exhibit "A" for a particular Asset.

- 7.1.4 Decreased Net Mineral Acres – Seller’s interest in any Lease represents less than the number of Net Mineral Acres as set forth on Exhibit "A".
- 7.1.5 Asset – For purposes of the Base Purchase Price adjustment described in Article 7 and 8, a particular “Asset” will be determined pursuant to the Asset description and value set forth on Exhibit "C".

Notwithstanding anything to the contrary herein, the Parties agree that with respect to Leases and Wells that are subject to that certain Pumphouse Project Agreement disclosed on Schedule 2.6, Title Defects shall include any provisions thereunder whereby Seller’s ownership interest in such Wells, and production therefrom, could be assigned or revert to the Selling Parties thereunder (as defined in the Pumphouse Project Agreement), with the same not deemed “Permitted Encumbrances” with respect thereto.

- 7.2 Additional Interests - During the Due Diligence Period, Buyer shall promptly notify Seller in writing if Buyer determines that Seller’s interests in the Leases or the Wells is greater than the interests reflected in the Exhibits attached to this Agreement (collectively, such items shall be referred to as an “Additional Interest”). During the Due Diligence Period, Seller shall promptly notify Buyer in writing of any Additional Interest.
- 7.3 Notices - Any Title Defect notice pursuant to Section 7.1 or Additional Interest notice pursuant to Section 7.2 shall include reasonable documentation and explanation, requested curative for satisfaction of the Title Defect and the estimated value of the Title Defect or Additional Interest. If any such notice is not timely delivered, the claimant shall thereafter have no right to assert such Title Defect or Additional Interest as the basis for an adjustment to the Base Purchase Price; provided, however, that this waiver shall not apply with regard to any matters or claims that Buyer may have the right to assert pursuant to the special warranty of title in the Conveyances.

7.4 Adjustments to Base Purchase Price - Upon timely delivery of a notice pursuant to Section 7.1 or 7.2, either by Buyer or by Seller, Buyer and Seller shall meet at least two (2) Business Days prior to Closing and use their reasonable commercial efforts to agree on the validity of any claims for Title Defects or Additional Interests and the amount of any Base Purchase Price adjustment using the following:

7.4.1 Liquidated Charges - If the adjustment is based upon a lien, encumbrance, or other charge upon an Asset which is undisputed and liquidated in amount or which can be estimated with reasonable certainty, then the adjustment shall be the amount of money necessary to be paid to remove the Title Defect from the affected Asset.

7.4.2 Ownership Variance -

- (a) If a Title Defect represents a discrepancy between the actual Net Revenue Interest for any Asset and the Net Revenue Interest set forth in Exhibit A for such Asset, and there is a Working Interest change proportionate to the change in the Net Revenue Interest resulting from the Title Defect, then the Title Defect value for each Asset shall be the product of (A) the Allocated Value for such Asset multiplied by (B) one (1) minus a fraction, the numerator of which shall equal the actual Net Revenue Interest in such Asset, and the denominator of which shall equal the Net Revenue Interest for such Asset set forth in Exhibit A.
- (b) If the adjustment is based upon Seller owning lesser or greater number of Net Mineral Acres than the number of Net Mineral Acres set forth on Exhibit "A" for the applicable Lease, then the adjustment shall be equal to the product of (i) the difference between the number of Net Mineral Acres set forth on Exhibit "A" and the actual number of Net Mineral Acres owned by Seller pursuant to the applicable Lease, multiplied by (ii) the applicable per Net Mineral Acre Allocated Value set forth on Exhibit "A".
- (c) If the Title Defect is of a type not described in Sections 7.4.1, 7.4.2(a) or 7.4.2(b), the Title Defect value will be determined by taking into account the Allocated Value for such Asset, the portion of the Assets affected by the Title Defect, the legal effect of the Title Defect, the potential economic effect of the Title Defect over the life of the affected Assets and such other factors as are necessary to make a proper evaluation of the Title Defect value.

7.4.3 Valuation of Title Defects -

- (a) If the Parties cannot agree upon the existence of a Title Defect or Additional Interests or the applicable adjustment, the dispute shall be resolved in accordance with the dispute resolution provisions in Section 19.3. Any such dispute shall be referred to as an “Open Defect”. Notwithstanding any of the preceding provisions of this Section 7, all adjustments applicable to Title Defects or Additional Interests shall be made prior to Closing which Closing shall be extended until resolution of any dispute relating to the Title Defects or Additional Interests; provided, however, if adjustments for alleged Title Defects, Environmental Defects, Casualty Defects and Open Defects do not in the aggregate exceed fifteen (15%) percent of the Base Purchase Price (the “Termination Threshold”), then Closing shall occur as to the other Assets that are not subject to the dispute (with the portion of the Assets subject to the dispute being excluded, and the Base Purchase Price reduced for the entire Allocated Values thereof) and Closing shall subsequently occur with respect to the Assets made the subject of the dispute within thirty (30) days following the final resolution of the dispute.
- (b) Subject to the provisions of Section 7.5, for all Title Defects, Seller shall elect to either:
- (i) in the case of Title Defects:
- (a) sell to Buyer the entire Asset(s) affected by the Title Defect but reduce the Base Purchase Price by the agreed upon amount associated with such Title Defect; or
- (b) exclude from this transaction the Assets affected by the Title Defect and reduce the Base Purchase Price for the entire Allocated Value of the Asset(s) so excluded; or
- (c) if an Asset is excluded from this transaction pursuant to 7.4.3(b)(i)(b) above, Seller shall use reasonable efforts to cure the Title Defect to Buyer’s reasonable satisfaction prior to one hundred eighty (180) days after Closing, and if the Title Defect is cured to Buyer’s reasonable satisfaction, Buyer shall purchase such excluded Asset for its Allocated Value as of the Effective Time.
- (ii) in the case of an Additional Interest, sell to Buyer the entire Asset(s) affected by the Additional Interest at the original Allocated Value set forth on Exhibit “C” attributable to such Assets proportionately increased to reflect such Additional Interest.

7.5 Deductible for Title and Environmental Defects - Notwithstanding the provisions set forth above, a Title Defect or Environmental Defect shall not result in an adjustment to the Base Purchase Price unless the aggregate net value of the sum of

- (a) all Title Defects and
- (b) all Environmental Defects

agreed to by the Parties is greater than four percent (4%) of the Base Purchase Price (the "Deductible Amount"). In such event, the Base Purchase Price on the Closing shall be adjusted by the aggregate net value of the sum of (a) all Title Defects and (b) all Environmental Defects which collectively exceed the Deductible Amount.

7.6 Termination - If, because of Title Defects, Environmental Defects, Open Defects, and Casualty Defects in the aggregate, the Base Purchase Price is to be adjusted downward by an amount exceeding the Termination Threshold either Party may, upon written notice to the other Party, terminate this Agreement pursuant to Section 18.1(c). If this Agreement is terminated pursuant to this Section, Seller shall promptly return the Deposit (and all interest thereon, if any) to Buyer as Buyer's sole and exclusive remedy, and each Party hereby disclaims, waives and releases any and all Claims against the other Party arising in connection with or related to such termination.

ARTICLE 8

8. ENVIRONMENTAL

8.1 Acceptance of Environmental Condition - Buyer shall give Seller notice (an "Environmental Defect Notice") of any Environmental Defects on or before the expiration of the Due Diligence Period. For the purpose of this Agreement, an "Environmental Defect" shall mean any contamination or condition resulting from any discharge, release, disposal, production, storage, treatment, or any other activities in, on, under or from the Land, or the migration or transportation from other lands to the Land, or from the Land to other lands, of any wastes, pollutants, contaminants, hazardous materials or other materials or substances which is in violation of Law and is not otherwise authorized by permit or Law and for which remedial, investigative or corrective action is required, which individually per Lease or Well as set forth on Exhibit "A" and Exhibit "B", respectively, exceeds Fifty Thousand Dollars (\$50,000). The Environmental Defect Notice shall include the following:

- (a) The Environmental Defect Notice must describe in reasonable detail the nature and basis of the Environmental Defect, the remediation and/or restoration required to remedy the Environmental Defect (the "Cleanup");

- (b) The Environmental Defect Notice shall include applicable provisions of a report generated by a reputable third party environmental diligence expert, such as Terracon;
- (c) To the extent practicable, the Environmental Defect Notice must state Buyer's good faith estimate of the value of the Environmental Defect, which such value shall include estimated Cleanup, costs, losses, expenses, and liabilities associated with the Environmental Defect.

If Buyer does not provide Seller with an Environmental Defect Notice on or before the expiration of the Due Diligence Period, then at Closing, Buyer shall be deemed to have waived Buyer's right to assert an Environmental Defect with respect to the Assets.

8.2 Remedy for Environmental Defects -

- 8.2.1 Remedy - If Buyer delivers an Environmental Defect Notice to Seller before the expiration of the Due Diligence Period, the Parties shall enter into good faith negotiations and shall attempt to agree on the existence of the Environmental Defects and the appropriate resolution thereof. If the Parties cannot reach a mutually acceptable agreement on or before the Closing, with respect to Environmental Defects, the following remedies shall apply:
- (i) Seller shall have the right, but not the obligation, to remediate the Environmental Defects and resolve all Losses arising from such Environmental Defect to the reasonable satisfaction of Buyer, within one hundred twenty (120) days of Closing;
 - (ii) paying Buyer's good faith estimate of the amount of all Losses associated with the Environmental Defect, not to exceed the Allocated Value for each Asset, in the form of a reduction to the Base Purchase Price (an "Environmental Adjustment"), or
 - (iii) excluding the Asset pursuant to Section 8.2.2.
- 8.2.2 Exclusion of Affected Asset - At Seller's option, may exclude from the purchase and sale under this Agreement any Asset for which an Environmental Defect has been asserted in good faith. In such event Seller shall retain the excluded Asset and the Base Purchase Price shall be reduced by the Allocated Value of such Asset.
- 8.2.3 Contested Environmental Defects - If Seller contests the existence of any Environmental Defect or Buyer's estimate of the Loss associated with such Environmental Defect, Seller shall notify Buyer within five (5) Business Days after Seller's receipt of the Environmental Defect Notice. The notice shall state the basis for Seller's contest of the Environmental Defect or the estimate of the Cleanup cost. Within two (2) Business Days after Buyer's receipt of the notice, representatives of Seller and Buyer, knowledgeable in environmental matters, shall meet in person or otherwise, and, prior to Closing shall enter into good faith negotiations and shall attempt to agree on the existence of the Environmental Defects and the appropriate resolution thereof.

If Seller and Buyer cannot agree on a resolution to the asserted Environmental Defect, the dispute shall be resolved in accordance with the dispute resolution provisions set forth in Section 19.3.

Notwithstanding any of the preceding provisions of this Section 8.2.3, all Environmental Adjustments shall be made prior to Closing, which Closing shall be extended until resolution of any disputes relating to the Environmental Defects; provided, however, that if adjustments for alleged Title Defects, Environmental Defects, Casualty Defects and Open Defects do not, in the aggregate, exceed the Termination Threshold, then Closing shall occur as to the other Assets that are not subject to the dispute (with the portion of the Assets subject to the dispute being excluded, and the Base Purchase Price reduced for the entire Allocated Values thereof) and Closing shall subsequently occur with respect to the Assets made the subject of the dispute within thirty (30) days following the final resolution of the dispute unless Sellers elect exclusion of the affected Assets.

EXCEPT AS OTHERWISE SET FORTH HEREIN, IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT ONCE AN ENVIRONMENTAL DEFECT HAS BEEN REMEDIATED AND ALL LOSSES RELATED TO SUCH ENVIRONMENTAL DEFECT HAVE BEEN RESOLVED TO BUYER'S REASONABLE SATISFACTION AND THE ASSETS AFFECTED BY SUCH ENVIRONMENTAL DEFECT ARE CONVEYED TO BUYER, EXCEPT AS OTHERWISE PROVIDED HEREIN, BUYER SHALL ASSUME ANY AND ALL FUTURE ENVIRONMENTAL OBLIGATIONS ASSOCIATED WITH SUCH ASSET.

8.2.4 Implementing Cleanup - If Seller elects to Cleanup an Environmental Defect pursuant to Section 8.2.1, Seller shall select the means and methods of effecting the Cleanup in accordance with applicable Environmental Laws, applicable industry standards, and any applicable agreement. Seller's responsibility for remediation under this Section 8.2.4 shall be limited to a standard appropriate for the use of an Asset for oil and gas activities and in accordance with all applicable Laws.

8.3 Acceptance of Environmental Condition- BUYER ACKNOWLEDGES AND AFFIRMS THAT THE ASSETS HAVE BEEN UTILIZED FOR THE PURPOSE OF EXPLORATION, PRODUCTION AND DEVELOPMENT OF OIL AND GAS, AND EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, AT CLOSING, THE ASSETS WILL BE ACQUIRED IN THEIR "AS IS, WHERE IS" ENVIRONMENTAL CONDITION. BUYER HAS CONDUCTED AN INDEPENDENT INVESTIGATION OF THE PHYSICAL AND ENVIRONMENTAL CONDITION OF THE ASSETS, TO THE EXTENT BUYER DEEMS NECESSARY OR APPROPRIATE.

- 8.4 NORM - Buyer acknowledges that the Assets have been used for exploration, development and production of oil, gas and water and that there may be petroleum, produced water, wastes or other materials located on, under or associated with the Interests. Equipment and sites included in the Assets may contain NORM. NORM may affix or attach itself to the inside of wells, materials and equipment as scale, or in other forms; the wells, materials and equipment located on or included in the Assets may contain NORM and other wastes or hazardous substances/materials; and NORM containing material and other wastes or hazardous substances/materials may have been buried, come in contact with the soil or otherwise been disposed of on or around the Assets. Special procedures may be required for the remediation, removal, transportation or disposal of wastes, asbestos, hazardous substances/materials, including hydrogen sulfide gas and NORM from the Assets. From and after the Closing, Buyer shall assume responsibility for the control, storage, handling, transporting and disposing of or discharge all materials, substances and wastes from the Assets (including produced water, hydrogen sulfide gas, drilling fluids, NORM and other wastes), whether present before or after the Effective Time, in a safe and prudent manner and in accordance with all applicable Environmental Laws (as defined below).

- 12.2 Production Taxes - All Taxes (other than Property Taxes, income, franchise, or similar Taxes) imposed on or with respect to the production of Hydrocarbons or the receipt of proceeds therefrom (including, but not limited to, severance, production and excise Taxes) shall be apportioned between the Parties based upon the respective shares of production taken by the Parties. - 12.3 Filing and Payment Obligations - Payment or withholding of all Taxes that have accrued prior to the Closing and filing of all statements, returns and documents pertinent thereto shall be the responsibility of Seller. Payment or withholding of all Taxes that have accrued from and after the Closing and the filing of all statements, returns and documents incident thereto shall be the responsibility of Buyer.

ARTICLE 13

13. OWNERSHIP OF ASSETS

- 13.1 Distribution of Production - All oil in storage above the pipeline connection for operated properties (or less tank bottoms) or gas beyond the meters at the Effective Time shall be credited to Seller, less applicable royalties and severance taxes. Seller shall use the operator's gauging of the oil in storage and reading of all gas meters as of the Effective Time. As part of the Closing Settlement Statement, the price for such oil in storage shall be at the price that Seller has contracted to sell the oil on the Effective Time. If there is no such price, the price shall be the average of the two highest prices that are posted at the Effective Time (plus any premium) by other purchasing companies, as determined by the Parties in the field or locality where the Assets are located for oil of like grade and gravity. Title to the oil in storage shall pass to Buyer as of the Effective Time, and an upward adjustment shall be made to the Base Purchase Price due at Closing, less applicable royalties and severance Taxes.

As part of the Final Settlement Statement, the Base Purchase Price shall be adjusted, upward or downward as appropriate, to reflect the value of the difference between the aggregate net volume of overproduction or underproduction associated with the Assets set forth on Schedule 13.4 and the aggregate net volume of overproduction or underproduction associated with the Assets as of the Effective Time (the "Assumed Imbalances").

- 13.4 Pipeline and Other Non Well-Head Imbalances - To the extent there exists any imbalances attributable to the Assets on or before the Effective Time with respect to any gas pipeline, storage or processing facility (the "Pipeline Imbalances"), at Closing the Base Purchase Price shall be adjusted upward or downward, as appropriate, to reflect the value of said Pipeline Imbalance. The value of said Pipeline Imbalance shall be calculated by summing the product(s) obtained by multiplying the volume of each net over-position or under-position, as the case may be, measured in the same manner as it is measured by the pipeline, storage or processing facility, as applicable, by the value at which the Pipeline Imbalance was either cashed out, made up or sold, or if otherwise undeterminable then using existing fair market value of, or price for, said production attributable to the Assets on or before the Effective Time. Buyer shall not be liable for any penalties or surcharges payable to the pipeline transport for periods prior to the Effective Time. If the Pipeline Imbalance cannot be determined by Closing or if the pipeline storage or processing facility makes any adjustments attributable to periods of time before the Effective Time subsequent to Closing but prior to the Final Settlement Statement, then the value adjustment associated with any imbalance will be made in connection with the Final Settlement Statement.

- (viii) any liability or obligation arising from or relating to the litigation set forth on Schedule 5.7;

15.5 Limitation In Indemnification**THE PROVISIONS OF SECTION 15.4 ABOVE SHALL APPLY REGARDLESS OF WHETHER ANY OF SUCH CLAIMS MAY BE ATTRIBUTABLE, IN WHOLE OR IN PART, TO THE STRICT LIABILITY OR NEGLIGENCE OF BUYER GROUP, SELLER GROUP OR THIRD PARTIES, WHETHER SUCH NEGLIGENCE IS ACTIVE OR PASSIVE, JOINT OR CONCURRENT, EXCLUDING ANY SOLE OR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BUYER GROUP; PROVIDED, HOWEVER, THAT SELLER'S OBLIGATION TO INDEMNIFY BUYER PURSUANT TO SECTIONS 15.4(i)-(v) ABOVE SHALL APPLY ONLY FOR A PERIOD OF NINE (9) MONTHS FOLLOWING THE CLOSING DATE. THEREAFTER, BUYER GROUP SHALL, PURSUANT TO SECTION 15.3, ASSUME RESPONSIBILITY FOR, AND SHALL ALSO AGREE TO PROTECT, DEFEND, INDEMNIFY AND HOLD SELLER GROUP HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS ARISING IN FAVOR OF ANY PERSON FOR PERSONAL INJURY, DEATH, DAMAGE TO PROPERTY OR FOR ANY OTHER CLAIMS ARISING DIRECTLY OR INDIRECTLY FROM, OR INCIDENT TO, THE USE, OCCUPATION, OPERATION OR MAINTENANCE OF ANY OF THE ASSETS OR ANY OTHER CLAIMS WHICH WOULD OTHERWISE BE SUBJECT TO SELLER'S GENERAL INDEMNITY UNDER SECTIONS 15.4(i) THROUGH (v).** Notwithstanding anything to the contrary contained herein, Seller shall have no obligation to indemnify Buyer for any Claims except to the extent that the aggregate of all such Claims exceed a deductible equal to four percent (4%) of the Base Purchase Price (the "Indemnification Deductible"). Notwithstanding anything to the contrary contained herein, a breach by Seller of any of Seller's representations or warranties contained in Sections 5.1, 5.2, 5.3, 5.5, 5.7, 5.12, 5.13, 5.14, and 5.19, inclusive, (the "Fundamental Representations") or an indemnity obligation arising from Section 15.4(vi) through 15.4(viii), inclusive, shall not be subject to the Indemnification Deductible, and Seller shall cover all Claims for indemnity based on the foregoing starting with the first dollar. Notwithstanding anything to the contrary contained herein, Seller's aggregate liability for the indemnification under Section 15.4 (i)-(v) above shall not exceed twenty-five percent (25%) of the Base Purchase Price. Except for a claim by Buyer arising out of a breach by Seller of Seller's Fundamental Representations (which Claims shall expire only as provided in the applicable statute of limitations), and Seller's indemnities contained in Section 15.4(vi) through Section 15.4 (viii), inclusive, Seller's indemnities contained in this Section 15 shall terminate nine (9) months after the Closing Date. The indemnification obligations under this Agreement for any Claims asserted by a Party in good faith for indemnification shall remain valid and binding and in full force and effect if the Party seeking indemnification has delivered to the other Party written notice on or before the termination dates noted herein, until the final resolution of all such Claims is made.

- 15.6 Further Limitation on Indemnification - Neither Party shall have any obligation under Article 15 with respect to any amount which has already been taken into account and applied to or against the Base Purchase Price in the Closing Settlement Statement or the Post-Closing Statement, provided such Party has paid all amounts due pursuant to this Agreement.
- 15.7 Indemnification Procedures
- 15.7.1 General - All claims for indemnification under this Agreement shall be asserted and resolved pursuant to this Section 15.7. Any person claiming indemnification hereunder is hereinafter referred to as the "Indemnified Party" and any person against whom such claims are asserted hereunder is hereinafter referred to as the "Indemnifying Party."
- 15.7.2 Claim Notice - In the event that a Party wishes to assert a claim for indemnity hereunder, such Party shall with reasonable promptness provide to the Indemnifying Party a written notice of the indemnity claim it wishes to assert on behalf of itself or another Indemnified Party, including the specific details of and specific basis under this Agreement for its indemnity claim (a "Claim Notice"). To the extent any Claims for which indemnification is sought are asserted against or sought to be collected from an Indemnified Party by a third party, such Claim Notice shall include a copy of all documents served on the applicable Indemnified Party with respect to such Claim.

- 15.7.3 Notice Period - The Indemnifying Party shall have thirty (30) days from receipt of the Claim Notice (the "Notice Period") to notify the Indemnified Party (i) whether or not it disputes its liability hereunder with respect to such Claims and/or (ii) with respect to any Claims arising out of, associated with, or relating to third party claims, whether or not it desires, at the sole cost and expense of the Indemnifying Party, to defend the Indemnified Party against any such Losses. In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against such Losses, the Indemnifying Party shall have the right to defend all appropriate proceedings with counsel of its own choosing. If the Indemnified Party desires to participate in, but not control, any such defense or settlement it may do so at its sole cost and expense.
- 15.7.4 Cooperation - If requested by the Indemnifying Party, the Indemnified Party agrees to cooperate with the Indemnifying Party and its counsel in contesting any Claims that the Indemnifying Party elects to contest or, if appropriate and related to the claim in question, in making any counterclaims against the third party asserting such Claims, or any cross-complaint against any third party (other than a Seller Indemnified Party, if the Indemnified Party is a Seller Indemnified Party; and other than a Buyer Indemnified Party, if the Indemnified Party is a Buyer Indemnified Party). Such cooperation shall include the retention and provision to the Indemnifying Party of all records and other information that are reasonably relevant to the Claims at issue.
- 15.7.5 Settlement - No third party Claim that is the subject of indemnification hereunder may be settled or otherwise compromised without the prior written consent of the Indemnifying Party, unless such settlement or compromise (i) entails a full and unconditional release of the Indemnified Party (and any other members of the Indemnified Party's group, i.e., all Seller Indemnified Parties or all Buyer Indemnified Parties) without any admission or finding of fault or liability and (ii) does not impose on the Indemnifying Party any material non-financial obligation or any financial obligation that is not fully paid by the Indemnified Party.

ARTICLE 16

16. CASUALTY LOSS

If prior to Closing any of the Assets are materially damaged or destroyed by fire, condemnation or other casualty ("Casualty Defect"), Seller shall notify Buyer promptly in writing after Seller learns of such event. Seller's notification shall include reasonable detail of the nature of such Casualty Defect, and Seller's good faith proposal for the appropriate corrective action with respect thereto, including any environmental remediation required pursuant to applicable Environmental Law. Seller shall have the right, but not the obligation, to cure any such Casualty Defect by repairing such damage or, in the case of Equipment, replacing the damaged Equipment with equivalent items, no later than the Closing, insofar as the same are done to Buyer's reasonable satisfaction. If any Casualty Defect exists at Closing, at Seller's option, Buyer shall proceed to purchase the damaged Assets, and the Base Purchase Price shall be reduced by the aggregate reduction in value of all affected Assets on account of such Casualty Defect. In the event the Parties cannot agree on the value of such Casualty Defects, the dispute shall be resolved in accordance with the dispute resolution provisions set forth in Section 19.3. Notwithstanding any of the preceding provisions of this Article 16, all adjustments applicable to Casualty Defects shall be made prior to Closing which Closing shall be extended until resolution of any disputes relating to the Casualty Defects; provided, however, that if adjustments for alleged Title Defects, Environmental Defects, Casualty Defects and Open Defects do not, in the aggregate, exceed the Termination Threshold, then Closing shall occur as to the other Assets that are not subject to the dispute (with the portion of the Assets subject to the dispute being excluded, and the Base Purchase Price reduced for the entire Allocated Values thereof) and Closing shall subsequently close and consummate the transaction as to the Assets made the subject of the dispute within thirty (30) days following the final resolution of the dispute. Notwithstanding anything to the contrary contained in this Article 16, Seller shall be entitled to retain all insurance proceeds, if any, and claims against other parties relating to any such Casualty Defect unless the Parties agree to assign such claims and insurance proceeds to Buyer. For purposes of this provision, normal wear and tear shall not be considered a Casualty Defect. From and after the Closing Date, Buyer shall assume all risk of loss for the Assets.

ARTICLE 17

ARTICLE 18

18. TERMINATION

18.1 Termination - This Agreement and the transactions contemplated hereby may be terminated at any time at or prior to the Closing:

- (a) by the mutual written agreement of Buyer and Seller;
- (b) by written notice from either Buyer or Seller if Closing has not occurred on or before February 28, 2014; provided, however, that no Party may terminate this Agreement pursuant to this Section 18.1(b) if such Party is in material breach of any material provision of this Agreement; or
- (c) by written notice from either Buyer or Seller if the aggregate sum of (i) the Title Defect amounts for all Title Defects timely and properly asserted pursuant to Article 7, (ii) the Environmental Defect amounts for all Environmental Defects timely and properly asserted pursuant to Article 8, and (iii) the Casualty Defect amounts pursuant to Article 16 exceed the Termination Threshold.

18.2 Liabilities Upon Termination; Deposit Amount - If this Agreement terminates, as described in Section 18.1 above, then the entire Deposit, plus the actual interest earned thereon, shall be returned and paid to Buyer and all obligations of the Parties under this Agreement shall thereafter terminate and be of no further force and effect, except that the provisions of Sections 19.4 and 19.5 shall survive; provided, however, that if this Agreement is terminated because of either:

- (a) a material breach of this Agreement by the Seller or because Buyer's conditions to Closing are not satisfied as a result of Seller's failure to comply with its obligations under this Agreement, then Buyer shall be entitled to the immediate return of the Deposit, plus the actual interest earned thereon, and shall also be entitled to pursue all remedies available at law for damages or other relief, in equity or otherwise, including its right to obtain specific performance pursuant to Section 19.11; or
- (b) a material breach of this Agreement by Buyer or because Sellers' conditions to Closing are not satisfied as a result of Buyer's failure to comply with its obligations under this Agreement, then Seller shall be entitled to retain the Deposit, plus the actual interest earned thereon as liquidated damages (and the Parties hereby acknowledge that the extent of damages to Seller occasioned by such breach or default or failure to proceed by Buyer would be impossible or extremely impractical to ascertain and that the Deposit, plus the actual interest earned thereon, is a fair and reasonable estimate of such damage), and pursue its right to obtain specific performance pursuant to Section 19.11.
- (c) Notwithstanding anything contained herein to the contrary, if Closing has not occurred on or before February 28, 2014 for any reason, then Seller shall assign to Buyer all of Seller's right, title, and interest in and to any Leases, which Seller has paid lease option or extension payments after January 31, 2014, and if Buyer is entitled to the return of the Deposit, then Seller shall be entitled to offset the Deposit by an amount equal to the lease option or extension payments paid by Seller after January 31, 2014.

ARTICLE 19

19. MISCELLANEOUS

19.1 Entire Agreement - Except for the Letter Agreement and the Confidentiality Agreement (which shall remain binding on the Parties in accordance with Section 19.4), this Agreement and all Exhibits and Schedules attached hereto and incorporated herein constitute the entire agreement among the Parties and supersede and replace all prior negotiations, discussions, representations, understandings and agreements, whether oral or written, relating to such subject matter.

- 19.2 Survival - This Agreement shall be binding upon and shall inure to the benefit of the Parties, their successors, heirs, assigns and corporate successors and may be supplemented, altered, amended, modified, or revoked by writing only, signed by both Parties. Except for Claims by Buyer arising out of a breach by Seller of Seller's Fundamental Representations, any other representations made by Seller and Buyer under Articles 5 and 6 shall continue in full force and effect for a period of nine (9) months from and after the Closing Date. All other representations, promises, agreements, releases, and indemnities made in this Agreement or in the Conveyances shall survive Closing for the applicable statute of limitations period.
- 19.3 Arbitration - Any dispute arising under this Agreement shall be determined by binding arbitration. Arbitration shall be commenced by either Party delivering to the other Party written notice (the "Arbitration Demand") which shall set forth in reasonable detail the basis of the dispute. The Parties shall use their reasonable efforts to agree upon a single arbitrator, who shall be a neutral, disinterested party, who has never been an officer, director, employee or attorney of any of the Parties or any of their Affiliates, who has not less than ten (10) years experience in the oil and gas industry, and who has a formal financial, accounting, petroleum engineering or legal education. The Parties shall select an attorney (or attorneys) with experience drafting mineral title opinions to arbitrate all disputes related to Title Defects, and the Parties shall use an attorney (or attorneys) with Environmental Law experience to arbitrate all disputes solely related to Environmental Defects. If the Parties are unable to agree upon a mutually acceptable arbitrator on or before thirty (30) days after receipt of the Arbitration Demand, then each Party shall each select its own arbitrator on or before forty-five (45) days after receipt of the Arbitration Demand, and the two arbitrators so selected shall select a third arbitrator on or before sixty (60) days after receipt of the Arbitration Demand. The arbitration shall take place in Denver, Colorado, and shall be conducted under the complex litigation procedures of the American Arbitration Association. The hearing shall be commenced on or before sixty (60) days after the selection of the arbitrators. The Parties and the arbitrators shall proceed diligently and in good faith so that the arbitration award shall be entered on or before thirty (30) days after the arbitration hearing. The decision of the single arbitrator, if one, or the majority of the arbitrators, if more than one, shall be final, binding and non-appealable. The fees charged by the arbitrators for the arbitration shall be paid one-half by Buyer and one-half by Seller. The arbitrator's shall award the prevailing party its reasonable attorneys' fees, expert witness fees and related out-of-pockets costs incurred with respect to the arbitration. Notwithstanding anything to the contrary herein, either Party may apply to any court of competent jurisdiction to enforce any arbitration award, specific performance or injunctive relief hereunder.
- 19.4 Confidentiality - The Parties understand and agree that the terms and provisions of that certain Letter Agreement dated December 12, 2013 by and between Continental Resources, Inc. and PEDEVCO Corp., on behalf of itself and its present and future Affiliates (the "Letter Agreement") and that certain Confidentiality Agreement dated October 18, 2013 by and between Continental Resources, Inc. and Condor Energy Technology, LLC, on behalf of itself and its present and future Affiliates (the "Confidentiality Agreement") shall be binding upon Seller and Buyer and shall remain in full force and effect until the Closing of this transaction. In the event of termination of this Agreement pursuant to Article 18, the Parties agree to keep all of the terms of this transaction confidential except as otherwise required by applicable law, regulation or legal process or as required pursuant to a Preferential Purchase Right notice or similar provision. Furthermore, any additional non-public information obtained as a result of Buyer's access to the Assets which does not specifically relate to the Assets shall continue to be treated as "Confidential Information" pursuant to the Letter Agreement and Confidentiality Agreement, provided however, that Confidential Information shall not include any information that is generally known to the public.

- 19.5 Choice of Law - THIS AGREEMENT AND ITS PERFORMANCE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF COLORADO WITHOUT REGARD TO ANY CONFLICTS OF LAWS PRINCIPLES THAT WOULD CAUSE THE APPLICATION OF LAW FROM ANOTHER JURISDICTION.
- 19.6 Assignment - The rights and obligations under this Agreement may not be assigned prior to Closing by any Party without the prior written consent of the other Party, which shall not unreasonably be withheld.
- 19.7 No Admissions- Neither this Agreement, nor any part hereof, nor any performance under this Agreement shall constitute or be construed as a finding, evidence of, or an admission or acknowledgment of any liability, fault, or past or present wrongdoing, or violation of any law, rule, regulation, or policy, by either Seller or Buyer or by their respective officers, directors, employees, or agents.
- 19.8 Amendments - This Agreement may not be amended nor any rights hereunder waived except by an instrument in writing signed by the Party to be charged with such amendment or waiver and delivered by such Party to the other Party claiming the benefit of such amendment or waiver.
- 19.9 Counterparts - This Agreement may be executed by Buyer and Seller in any number of counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same instrument. Execution can be evidenced by electronic or facsimile transmission of signatures pages (which shall be binding on the Parties) with original signature pages to promptly follow in due course.

- 19.10 Third-Party Beneficiaries - Except as otherwise set forth in this Agreement, this Agreement shall not confer any rights, benefits or remedies to any person or entity not a Party hereto. The preceding sentence notwithstanding, any claim for indemnity or defense under this Agreement may only be brought by and administered by a Party to this Agreement.
- 19.11 Specific Performance - Subject to the provisions of Article 18, Buyer and Sellers acknowledge and agree that Seller or Buyer would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by the other party could not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which Seller and Buyer may be entitled, at law or in equity, they shall be entitled to enforce any provision of this Agreement by a decree of specific performance.
- 19.12 Public Communications - Neither Party may make a press release concerning this transaction without the prior written approval of the other Party, which approval shall not be unreasonably withheld. Notwithstanding the foregoing, if Buyer, on the one hand, or Seller, on the other is required by Law or the rules of any listing or trading agreement concerning its or its Affiliates' publicly-traded securities to make a public announcement or statement (such as issuing a Form 8-K), then the same may be made without the approval of the other Parties, provided, however, that the announcing Party shall use reasonable efforts to advise the other Party of such need for disclosure in advance of the same and allow the other Party an opportunity to comment on the proposed disclosure prior to making the disclosure. In addition, this Section shall not apply to and prior approval shall not be required to disclose information that: (a) is generally known to the public (whether made public via a filing with the Securities Exchange Commission or otherwise) other than as a result of Buyer's breach of this Agreement, or (b) is or was disclosed to Buyer on a non-confidential basis by a third party having the right to make such disclosure. Each Party agrees not to make any statements, written or verbal, or cause or encourage others to make any statements, written or verbal, that defame, disparage or in any way criticize the personal or business reputation, practices, or conduct of the other Party.
- 19.13 Heading - The headings of the Articles and Sections of this Agreement are for guidance and convenience of reference only and shall not limit or otherwise affect any of the terms or provisions of this Agreement.
- 19.14 Expense - Each of the Parties hereto shall pay its own fees and expenses incident to the negotiation and preparation of this Agreement and consummation of the transaction contemplated hereby, including brokers' fees. Buyer shall be responsible for the cost of all fees for the recording of the Conveyances relating to the Assets.
- 19.15 Attorneys' Fees - In the event of any disputes related to this Agreement, the prevailing Party shall recover its court costs, out-of-pocket costs, expert witness fees and reasonable attorneys' fees from the opposing Party.

- 19.16 Waiver of Consequential Damages – NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NEITHER PARTY SHALL BE ENTITLED TO CLAIM OR RECOVER FROM THE OTHER PARTY, AND EACH PARTY HEREBY DISCLAIMS, RELEASES AND WAIVES ANY CLAIMS, AGAINST THE OTHER PARTY FOR ANY CONSEQUENTIAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST SALES, USE, INCOME, PROFIT, REVENUE, PRODUCTION, RESERVES OR OPPORTUNITY), EXCEPT WITH RESPECT TO INDEMNIFICATION OF THIRD PARTY CLAIMS IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT. THE FOREGOING DISCLAIMERS, RELEASES AND WAIVERS SHALL APPLY TO THE SELLER INDEMNITEES AND BUYER INDEMNITEES IN CONNECTION WITH ANY CLAIM FOR INDEMNIFICATION HEREUNDER OR OTHERWISE.
- 19.17 Waiver of Consumer and Other Rights - AFTER AN OPPORTUNITY TO CONSULT WITH AN ATTORNEY OF ITS OWN SELECTION, BUYER ACKNOWLEDGES THAT THE DISCLAIMERS AND WAIVERS GIVEN IN AND UNDER THIS AGREEMENT SHALL BE CONSIDERED MATERIAL AND INTEGRAL PARTS OF THIS AGREEMENT, WITH CONSIDERATION GIVEN THEREFORE, AND ACKNOWLEDGES THAT ALL DISCLAIMERS AND WAIVERS ARE “CONSPICUOUS” AND HAVE BEEN BROUGHT TO THE ATTENTION OF BUYER, AND THAT BUYER HAS VOLUNTARILY AND KNOWINGLY CONSENTED TO ALL DISCLAIMERS AND WAIVERS. Buyer hereby warrants and represents to Seller, as of the date hereof and as of the Closing Date, that (i) Buyer is not in a significantly disparate bargaining position, (ii) Buyer has been represented by legal counsel in connection with the transaction contemplated by this Agreement, which transaction does not involve the purchase or lease of a family residence occupied or to be occupied as a residence, and which transaction is for a consideration paid or to be paid that exceeds \$500,000.00 and (iii) Buyer is a business consumer with assets of \$5,000,000.00 or more according to Buyer’s most recent financial statement prepared in accordance with GAAP and has knowledge and experience in financial and business matters that enable Buyer to evaluate the merits and risks of the transaction.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the date first written above.
